

JOSE MARTI is a symbol of liberty throughout Latin America. His devotion to the cause of Cuba's Independence from Spain, his fervent writings supporting the ideals of democracy and equality, and his death in battle during the 1895 Cuban Revolution, have caused him to be known as the "Libertador de Cuba".

The free Cuban Community and its friends, will eternalize the memory of JOSE MARTI, by establishing the JNF KEREN KAYEMETH JOSE MARTI FOREST PARK, on the Judean Hills in Jerusalem, the Eternal City of Peace.

The JOSE MARTI FOREST PARK will contain 430,000 trees, 10,000 trees for each of Marti's life. The Park will feature an Educational Amphitheater, Recreational Facilities, Nature Trails, Picnic Areas and a Dedicatory Wall in the Plaza. All of which will provide a place of serenity and beauty, where visitors from all over the world can reflect on the common love of Liberty and Democracy, celebrating with dignity these ideals, that raise human hopes and aspirations to greater heights of faith, binding together all freedom loving people.

The Bells of Freedom will ring with joy for all those who make it possible.

Nily Falic
National Director
KKL Latin Division

JOSE MARTI es un simbolo de libertad para todos los paises de America Latina. Su devocion a la causa de la Independencia Cubana, abogando por la liberacion de su amada Isla del yugo espanol, sus escritos a favor de los ideales de democracia e igualdad y su muerte heroica en Dos Rios, durante la guerra de independencia en 1895, hacen que su nombre sea para todos: "Libertador de Cuba".

La comunidad Cubana libre y sus amigos, perpetuan la memoria de JOSE MARTI al establecer el PARQUE BOSQUE JOSE MARTI, del Fondo Nacional Judio (JNF, Keren Kayemeth Leisrael) en las lomas adyacentes a Jerusalem, la Ciudad Eterna de la Paz.

EL PARQUE BOSQUE JOSE MARTI contendra 430,000 arboles, 10,000 arboles, por cada ano de la vida de Marti. El parque tendra ademas, un anfiteatro educativo, instalaciones de recreo, senderos para el estudio de la naturaleza, areas para merendar y una muralla con las dedicatorias dentro de la plaza principal. Alli tenemos un lugar de serenidad y belleza donde los visitantes de todas las partes del mundo podran reflexionar sobre un amor compartido por la libertad y la democracia, celebrando con dignidad estos ideales que elevan la esperanza humana y sus aspiraciones a las alturas mas nobles de la fe, uniendo en hermandad a todos los pueblos amantes de la libertad y la paz.

Las campanas de la libertad repicaran con alegria para todos aquellos que hagan posible este sueno.

Jose Marti Forest Park Inaugural Gala Ball

Dedicated To
The Establishment Of

The Jose Marti Forest Park
On The Judean Hills, Jerusalem

"The uprooted tree's moisture must be preserved,
so that upon its return to its native soil
it will grow roots"

JOSE MARTI

"Al arbol deportado se le ha de conservar el jugo
nativo, para que a la vuelta su rincon pueda
echar raices."

JOSE MARTI
