Memo

To: Board of Directors

From: Myron J. Brodie

Congratulations on your having been duly elected and installed as a member of the Greater Miami Jewish Federation's Board of Directors at the Annual Meeting last night.

As you know, the Federation is a multifaceted organization with a very complex and far reaching agenda. We will be having an orientation for Board members and will be distributing the Board Member's Manual in September, both of which will provide a great deal of information and background material in order to enable you to do your job as a member of our Board most effectively.

In the meantime, I want you to know that if there is any way that I or any of my colleagues on staff can be of any service or assistance to you in carrying out your duties and responsibilities, it will be our pleasure to be called upon and we trust you will feel free to do so.
